

# Empower Missourians to pay for care their way.

Missourians now have a flexible way to pay for healthcare through the **Missouri Chamber Benefit Plan**.

## Ensure equitable access to care

Paytient makes it easier for employees to afford the care they need — regardless of their credit history. Onboarding includes a quick financial wellness check that complies with federal lending regulations.

## Make care more affordable

Employees can choose custom repayment plans with no interest or fees — ever.

## Reduce large claims

Enabling access to earlier care greatly reduces the risk of large claims in the future.

## Increase employee retention

Offering employees access to Paytient shows that employers are in touch with their people's needs. We have the numbers to prove it.

## Simplify plan design changes

Move to a lower-cost healthcare design while putting employees in a better place to access care.

## WHAT YOU GET WITH PAYTIENT

# Here's what MO MEWA members are saying about Paytient:

“I was able to get into therapy. This always seemed out of range for me but since **I can now breakdown the payments to something more affordable** for a single income budget, I can now attend regularly. I have been seeing my therapist now for a few months and while it is hard, it's incredible having a source to go to to talk about any and everything.”

“This card is really a **great card for unexpected medical copayments** and my medication!”

“This was the **easiest to use and it was there when I needed it**. Setting up my repayment was super easy as well.”
